"River" is a nice dun colt out of the mother of **Holy Smokin Haida**, one of our stallions. He wintered on range and a little hay so has plenty of growing to do. He will make a nice horse.

 Mauds Tiger was one of the nicest mares I have ever ridden. This colt is one of her grandsons. "Candy" goes back to **Doc Quixote** three times. **Doc Quixote** is the only stallion to sire a son that won over a million dollars in cutting.

“Tiger” was wintered on range and some hay. He is selling as a grade horse but don’t let that scare you off. He goes back to some of our best blood lines. Two-year-old mares don’t usually settle.

Why does a slight tax increase cost you two hundred dollars and a substantial tax cut saves you thirty cents?
