A nice filly colt that should be 15 to 15.1 hands when grown. Pretty head – bay color. This filly should be gentle and ride well. I have ridden her sisters and they are gentle-cowy-and smart. She should be the same.

“Destiny” is a 21-year-old bay/white Paint mare. She is homozygous paint and homozygous dark color gene I’ve owned her 13 years and only selling because she needs a little extra care. Well bred-her colts are 15 to 15.1 hands. I sell all her stud colts to a man in AZ. She just needs a little extra.
